

# Journey to the **HOLY LAND**

February 12th - 23rd, 2018  
Cost: \$3750 (from JFK to TelAviv)

Tour hosts: Steve and Jimmy Allan  
Turkey Hill Ranch Bible Camp

Bible Teachers:  
Steve Price- Shawnee Bible Chapel, Kansas City

It is one thing to read the Scripture and imagine the geography of which they speak. It is quite another to visit such places and see first hand the archeology of these biblical locations. The traveler begins to understand the text in three dimensions. This adds immense value to one's biblical studies.

The rich history of the bible is available for visitation. You will find the journey fascinating as you walk in places where the Lord Jesus walked. You will feel the waves of the Sea of Galilee. You will see the Mountains where Elijah called upon the Lord. And these are just a few of the murals you will be able to appreciate in such a journey. Jerusalem itself affords countless images into the places of Christ's trial, the Temple Mount where He taught; and the hill where he was crucified. These realizations have a way of leaving the visitors speechless and astonished.

This type of trip is designed to be enjoyable, but with an emphasis on learning the maximum concerning the Holy Land and its relation to Scripture. You will still find time to shop, but the time of teaching will be capitalized. I would invite you to make this type of investment in expanding your spiritual knowledge base.

It will be well worth your expenditure and your time.

Please keep in mind that there will be a lot of walking to each sight and then more walking through the sights.
